Dear Families,

Thank you so much for your patience and support as we all learn how to face our new reality together. We are grateful for the strength and commitment of our entire CBI Community as we navigate through these uncharted times.

Over the past weeks, our staff and leadership have spent many hours considering the needs of both our community and our staff. We have continued to pay our staff, maintenance and security during our closure, as they rely on their paychecks from us to live.

In March when it became apparent to us that our families were managing a new set of challenges, we examined every aspect of the school and how we can support our families and staff during this difficult time. This has continued since then and will continue as it unfolds. For complete and continual updates on NCECE School & Camp visit www.cbiboca.org and click the NCECE CAMPUS UPDATED button.

CBI Updates
This year our Annual Meeting is being held virtually on May 18 at 7 PM. An email packet is being sent out to our membership with proxy material shortly.

While our campus at the present time remains closed, when the campus is permitted to open, we will open as permitted by the City of Boca Raton, Palm Beach County and in accordance with the safety and security of our staff and membership. Our website will update you on the re-opening process. Please check often. Although the campus has been closed, we have been updating the campus – maintenance and the painting project that we discussed at the High Holy Days.

During the time we are closed, all summer Friday night Shabbat services will be held virtually at 6:15 pm beginning June 5th. Our virtual programming will continue including the daily “fun” get togethers.

As we have many members in our community seeking community involvement, we have rolled out an enhanced CBI cares initiative with volunteer opportunities and resources for your family. CLICK HERE TO LEARN MORE.

If you have any questions specific to your family, please contact our Executive Director, Steve Allen at steve.allen@cbiboca.org

We look forward to being together again. Until then, our virtual school and our virtual congregation will work together to support each and every member of our CBI family.

Wishing you all continued good health.
