Held in partnership with Sharsheret, the Jewish community's resource for breast and ovarian cancer support, Pink Shabbat brings our community together to raise awareness, share resources and show support for those whose lives have been touched by breast and ovarian cancer. This year's program features special guests, [Rachel Sobel](#) and [Chani Kolan](#), who will offer personal insight and valuable information about breast cancer awareness, early detection, self-advocacy, and the resources available to individuals and families. The evening will also feature Cantorial Soloist Marcy Morris. Following the program, everyone is invited to stay for a special **Pink Oneg** featuring pink challahs and an opportunity to connect with friends, neighbors and members of the CBI community.
